PART I.

Proceedings of the Government of His Highness the Maharaja of Mysore,

READ—

Letter No. 17, dated the 12th September 1911, from the Superintendent, Inam Settlements in Mysore, submitting the Annual Administration Report of the Inam Department for the year 1910-11.

"I have the honor to submit herewith the Annual Administration Report of the Inam Department for the year 1910-11.

2. *Changes in the staff.*—There were no changes in the Department. Mr. D. Shama Rao, B.A., continued to be in charge of the Department throughout the year.

3. *Cases during the year.*—During the year under report six land Inams comprising an extent of 49 acres and 10 guntas assessed at Rs. 129-8-0, were newly confirmed, on which a combined quit-rent of Rs. 20-1-9 was fixed.

Nine minor inams and one whole inam village were resumed and struck off during the year under report, by which Rs. 958-11-0 were reduced to Government in Inam Revenue, while there was a corresponding increase of Rs. 2,424-3-2 under Land Revenue in the shape of assessment.

4. *Revision of Inams.*—One whole village was revised on survey valuation. In addition to this, five other Inams were revised with the result that the combined quit-rent was reduced by Rs. 95.

5. *Registers.*—The number of quit-rent registers prepared was 24 for confirmed cases and 40 for resumed and struck-off cases. Besides, 150 supplemental final quit-rent registers and correction dockets were prepared and issued during the year on the basis of Purvani-Tharav-Patriks.

6. *Extracts and title-deeds.*—The number of extracts and title-deeds prepared was six.

7. *Final title-deeds for minor inams in Sirkar villages.*—During the year under report, 3,150 final title-deeds for minor inams in the Sirkar villages of Sidlaghatta, Srinivaspur and Chintamani Taluks were prepared and compared. There are only a few more cases remaining for the completion of these taluks. They are on hand and will be despatched for delivery to the Inamdars soon after completion.

8. *Final title-deeds for whole inam villages.*—The final title-deeds for whole inam villages of the Shimoga District were completed during the year. This work involves a good deal of labour and with much effort, it was that the district of Shimoga, comprising many malnad inams, was completed.

9. *Revised final quit-rent registers.*—The revised final quit-rent registers of Sidlaghatta and Srinivaspur Taluks were corrected, compared and despatched to the Secretariat and other offices as usual. The number of cases in these quit-rent registers was 4,406 against 3,788 or about 600 more than in those sent in the year previous. There still remain Chintamani and Malur Taluks to be compared and despatched. The former is on hand now. The revised final quit-rent register of the Bowringpet Taluk sent to the press during the previous year for being printed, has not yet been received.

10. *Inam revenue.*—During the year under report, there was a decrease of Rs. 1,033-9-3 as shown below, while the corresponding increase under land assessment was Rs. 2,424-3-2:—

		Rs.	a.	p.
Quit-rent imposed on newly confirmed inams	...	20	1	9
Deduct on account of resumed and struck-off cases	...	958	11	0
Do revision ...	...	95	0	0
Total	...	1,053	11	0
Balance decrease	...	1,033	9	3

11. *Expenditure.*—The total cost of the Department for the year was Rs. 4,105-8-0 as against Rs. 4,499-12-0 or Rs. 394-4-0 less than in the previous year.

12. *Total cost of the Department.*—The total cost of the Department from 1868 up to the end of the year, under report was Rs. 11,76,040-4-7 and the total annual recurring revenue is Rs. 2,73,485-7-9.

Land Revenue, dated 17th November 1911.

13. *Correspondence.*—The amount of correspondence both English and Vernacular was 1,439 against 1,501 in the previous year.

14. *General Remarks.*—In conclusion, I am glad to say that the Establishment has worked hard and satisfactorily during the period under report."

No. R. 3321—L. R. 212-11-2, DATED BANGALORE, 17TH NOVEMBER 1911.

ORDER THEREON.—Recorded.

2. As a result of the year's operations, there has been a net decrease of Rs. 1,033-9-3 in the Inam revenue, against which has, however, to be set off the increase that will be caused under Land Revenue by the assessment on the resumed Inam lands, which amounts to Rs. 2,424-3-0.

Proceedings of the Government of His Highness the Maharaja of Mysore, Land Revenue, dated 23rd November 1911.

BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Appeal No. 6 of 1911-12.

Petitioner.—Agasara Durga, Thannigere village, Channagiri Taluk.

Subject.

Appeal against the order of Mr. K. Srinivasa Rao, Deputy Commissioner of the Shimoga District, declining to interfere with his predecessor's order directing the removal of the portion of the house unauthorizedly built upon Government land by the petitioner.

Facts of the case.

It was brought to the notice of the Jamabandi Officer during 1908-09 that the petitioner had built a house encroaching upon the public road to the extent of 11½ yards by 1 yard and that the passage to men and cattle had been thereby obstructed. The petitioner alleged that he had only renewed the roofing of his house on the old walls and that there was no encroachment on the road. On 25th April 1909 the Jamabandi Officer (Sub-Division Officer) fined the petitioner one rupee and directed the immediate removal of the obstruction. The petitioner paid the fine but did not remove the obstruction. The matter was again brought on the takrar takhta for 1909-10. In the meanwhile, the party appealed to the Deputy Commissioner against the Sub-Division Officer's order. The appeal petition was returned on 3rd December 1909 as it was not accompanied by the copy of the order appealed against. On 6th February 1910, the Deputy Commissioner, who conducted the Jamabandi, ordered on the takrar takhta that the obstruction should be removed. The petition which had been rejected was resubmitted on 15th February 1910 and it was admitted and the records were called for. On receipt of the records the present Deputy Commissioner, Mr. K. Srinivasa Rao, disposed of the appeal stating that he could not interfere with his predecessor's order dated 6th February 1910. The present appeal to the Revenue Commissioner is against this order and this has been withdrawn from his office file.

Decision.

There should have been a formal enquiry according to Section 37 of the Land Revenue Code. As this has not been done, the records are returned for a fresh order being passed by the Deputy Commissioner after a legal investigation.

Letter No. 3698, dated 9th October 1911, from the Revenue Commissioner in Mysore soliciting sanction to an allotment of Rs. 25,000 for granting advances to raiyats during the current official year for executing earthwork to unrestored minor tanks in the several districts.

No. R. 3211-12—AGRI. 58-11-2, DATED BANGALORE, 13TH NOVEMBER 1911.

ORDER THEREON.—A sum of Rs. 15,000 has been provided for the purpose during the current official year and the allotments to the several districts should be restricted so as not to exceed this amount.

2. As far as possible, the money should, in the first instance, be utilized in completing partially completed works. In cases in which advances have been made, the amount recoverable from the raiyats should be ascertained without delay and, if payable in instalments, noted in their pattas, so that it may be recovered along with the land revenue.

A separate account should be maintained in which the amount outstanding in respect of each tank should be shown and the recoveries noted as they are made.

Simla, the 16th October 1911.

SIR,

It has been brought to the notice of the Government of India that in all forecasts of crops other than final forecasts the present system of comparing the estimates of the year of report with those of the preceding year is not uniform in the various provinces. Some provinces compare the estimate of the year of report with the figure at the corresponding date of the previous year and some with the final figure of that year. But the most common practice appears to be to compare the estimate of the state of crop as at a given date with the revised estimate of the crop as it actually stood at the corresponding date of the preceding year and not with the estimate as made and reported at that date.

2. It has been pointed out that the system of comparing the estimate at a given date of the current year with the *revised* estimate at that date of the preceding year and not with the original estimate as made at that date has had the effect of misleading persons, especially those residing abroad, who use the forecasts of crops or information given from them. Telegraphic summaries sent abroad by persons in India often give only the current year's estimate or a percentage indicating the increase or decrease on the previous year's corresponding estimate. Persons abroad refer the figures given them to the estimate published at the same season in the previous year; but persons in India see them compared in the new forecast with the revised figures.

Revenue (Agriculture), dated 29th November 1911.

3. The Government of India have therefore decided that in the first (August), second (October), and third (December) forecasts of the cotton crop prescribed in this Department Resolution No. 12, dated the 18th April 1905, the estimate of the current year (which is an unrevised estimate) should be compared with the original and unrevised estimate as made and reported at the corresponding date of the previous year. It is no doubt necessary to check and correct the estimates made at a given date for record in the local office and for communication to the Director-General of Commercial Intelligence, but the Government of India desire that it should be impressed upon officers entrusted with the preparation of crop forecasts that the revised figures should be published only with a very clear statement of their nature and as supplementary to the original figures. The final (February) forecast stands on a different footing. It is concerned greatly with outturn and it is desirable to compare the estimated total crop of the year of report with the actual total crop of the previous year. And whereas the final forecast is an estimate of the quantity of cotton actually to be handled, the earlier forecasts are only aids to conjecture as to what that quantity will be. The Government of India therefore do not desire that any change should be made in the present system of comparing the estimate of the current year with the finally revised and adjusted figure of the previous year in the final (February) forecast.

4. Accordingly, I am directed to request that with the permission of

~~His Excellency the Governor in Council~~
~~His Honour the Lieutenant-Governor in Council~~ , the suggestions made above may, if there be no ob-
~~His Honour the Lieutenant-Governor~~

jection, be carried into effect in the preparation of the forecasts of the cotton crop commencing from the season 1912-13. The Government of India do not consider that any change need be made until further orders in the present system of preparing forecasts of crops other than cotton.

I have the honour to be,
SIR,
Your most obedient servant,
E. D. MACLAGAN,
Secretary to the Government of India.

Proceedings of the Government of His Highness the Maharaja of Mysore.

Government Order No. R. 5323-7—Ft. 80-08-6, dated 25th January 1909, approving of the settlement of the Hadikere Western Block State Forest in the Tarikere Taluk, and requesting the Forest Settlement Officer, with reference to the settlement of the Eastern Block, to revise his settlement and make suitable provision for the exercise of such privileges by the raiyats in the tract, as had not been sufficiently investigated owing to the view taken of the reservation by the Forest Settlement Officer.

2. Correspondence ending with the Revenue Commissioner's letter No. 6606, dated 21st December 1910, forwarding the following letter No. 117, dated 5th October 1910, from the Forest Settlement Officer in Mysore:—

"With reference to Government Order No. R. 9300—Ft. 80-08-9, dated the 10th May 1909, requesting that another opportunity may be given to the raiyats of the villages affected by the reservation of the Hadikere Eastern Block for prosecuting their claims, I have the honour to state as follows:—

"The Hadikere Forest was proposed for reservation in 1903. The then Forest Settlement Officer, Mr. B. Ramaswami Iyer, divided it into two blocks, *viz.*, Hadikere Western Block and Hadikere Eastern Block. The settlement of the former was approved by Government and the tract was notified as a State Forest in Government Notification No. R. 5323-7—Ft. 80-08-6, dated the 25th January 1909. The enquiry as regards the latter was conducted by the successors of Mr. Ramaswami Iyer, *viz.*, Messrs. Ananda Rao and M. Shama Rao. All the three officers were against the reservation of it, *viz.*, the Hadikere Eastern Block, on the ground that it would be prejudicial to the interests of the raiyats of the following villages:—(1) Hadikere, (2) Yerrahalli, (3) Nagenahalli, (4) Mandanahalli, (5) Kuntinamadu, (6) Oblapura, (7) Kodihalli, (8) Mallenahalli and (9) Madikere hosahalli. As two former Deputy Commissioners of the Kadur District, *viz.*, Messrs. Devaraj Urs and Kumarasami Naik, after inspection of the tract in question, were of opinion that there can be no inconvenience to the raiyats of the above villages by its reservation as a State Forest, and as the Block was reported to be fit for the growth of sandal, the Government held that its exclusion was not called for in the interests of the raiyats and directed that the Forest Settlement Officer should revise his settlement and make suitable provision for the exercise of the privileges by the raiyats (*vide* Government Order No. R. 5323—Ft. 80-08-6 dated the 25th January 1909). Accordingly my predecessor Mr. Shama Rao held further enquiry in the matter and recorded his decision as regards the privileges of the raiyats of Yerrahalli alon as the raiyats of the remaining villages with the exception of Hadikere did ot apar toe,he prosecute their claims, and submitted a report in the matter to Government. Therpen tes case was remanded for further enquiry as they held that the settlement made yoe Mr. Shama Rao could not be regarded as final, with the observation that another opprot unit should be given to the villagers to appear and prosecute their claims. Pursuant to by the instructions, I proceeded to Tarikere. The Deputy Commissioner of the Kadur District kindly accompanied me to the tract in question and we both inspected and perambulated a portion of it in company with many of the villagers.

"As the Deputy Commissioner had issued orders to the Tarikere Amildar for the attendance of the raiyats concerned, most of them appeared before me at Tarikere Camp on the 25th April 1910, when their statements were recorded. The majority of them were not in favour of the reservation of the Block, while two of them stated that in case the tract in question is declared a State Forest, they should be allowed to graze their cattle and remove wood free for domestic and agricultural purposes. The clamour of the raiyats against the reservation of the Block is anything but reasonable. They are under the impression that, if in a body they oppose the reservation of it, the Government will abandon the idea of declaring it to be a State Forest.

"According to the rule of allowing 30 acres of gomal land for the grazing of every 100 head of cattle, the area left for each of the nine villages mentioned above is at present quite adequate. It is ascertained that there would be some difficulty for them in obtaining fuel for domestic purposes and wood for making agricultural implements. As the Conservator of Forests happened to be present at the Tarikere Camp at the time of my enquiry, he was also consulted with a view to the granting of most of the concessions detailed in the B Register. The Range Officer, who was present at the enquiry under instructions from the Conservator, accordingly filed a written statement that there is no objection to the grant of the same. Subject to these concessions, the reservation of the Block in its entirety is, in my opinion, quite compatible with the exercise of the rights and privileges of the raiyats in it.

"The Deputy Commissioner in his docket No. 346, dated the 21st September 1910, has informed me that no appeals against my settlement decision have been preferred to him.

"The following records are herewith admitted :—

1. B Register of claims.
2. C Register of lands.
3. Sketch map.
4. Topo Sheet.
5 Boundary Notification.

"The date from which the reservation is to take effect has to be inserted in the draft boundary Notification."

3. Correspondence ending with Forest Settlement Officer's letter No. 39, dated the 20th July 1910, rectifying certain errors in the statements.

4. Statements B and C.

1	Joganna, a leading raiyat of Hadikere, on behalf of villagers.	25th April 1910	States that every family in his village should be allowed to remove from the forest free of cost, from 5 to 20 cart-loads of split bamboos for fencing 5 to 20 cart-loads of wood for fuel and for preparing jaggory, sufficient materials for putting up 3 lofts (Manchigay) and for making agricultural implements out of unreserved kind of trees.	... ...	States that the following concessions may be allowed to the villagers — *Grazing.*—Free grazing for two bullocks and two cows for each plough, the rest at 0-2-0 per cow and 0-3-0 per buffalo *Firewood.*—Five cart-loads free and ten cart-loads at half rate, *viz.*, 0-2-0 per cart-load for each family. *Split bamboos.*—Ten cart-loads at half rate, *viz.*, 0-1-0 per cart-load for each family.	The 'C' Register shows that according to the prescribed rule of allowing 30 acres of land for the grazing of every 100 head of cattle, the area left for each of the 9 villages, *viz.*, (1) Yerrahalli, (2) Hadikere, (3) Nagenahalli, (4) Mundanahalli, (5) Kuntinmadu, (6) Oblapur, (7) Kodihalli, (8) Malleenahalli and (9) Madikerehosalli from which lands have been taken is at present adequate. It is ascertained that it does not adequately meet their requirements as regards fuel for domestic purposes and for preparing jaggory and as regards wood for making agricultural implements. The Range Officer, under instructions from the Conservator of Forests, has filed a written statement proposing certain concessions to the raiyats of these villages. These concessions are quite adequate. No mention is made therein as regards the grant of materials for putting up lofts (Manchigays) near the fields and 'Kans' of the raiyats and for making agricultural implements. It is in evidence that the necessity of fencing their fields to prevent the destruction of the crops by wild beasts is supreme I would therefore allow the free grants of five cart-loads of split bamboos for fencing, for each family and ten cart-loads of the same at half the rate *viz.*, 0-1-0 per cart for each family annually, three cart-loads of materials from unreserved kind of wood for putting up lofts (Manchigays) for each family, annually, free of cost, five cart loads of fire wood free, and ten cart-loads at half rate *viz.*, 0-2-0 per cart for each family annually. Each family will have wood for agricultural implements from unreserved kind of trees free, as particularized below :— *Annually.* Four pieces of wood for plough beam (ತಿಗಿಲು), 9 feet long. Four pieces of wood for plough foot (ತಿಗಿಲುಜಾಳು), 3 feet long Two pieces of wood for parts of drill plough or "Gurulu Dindu" (ಗುರುಳುದಿಂಡು), 4½ feet long. Four pieces of wood for parts of drill plough ಕೊಳವು 9 feet long. Three pieces of wood for parts of drill plough ಪೊಳಕೆ 3 feet long. *Once in three years.* Four branches of trees for yoke ನೊಗಕ್ಕೆ, 7 feet long Four pieces of wood for plough-tail or plough-handle (ಕಿಳಿಕೊಂಡಿ), 4½ feet long.		...
2	Joganna, a leading raiyat of Hadikere.	Do ...	The raiyats should be allowed to graze their cattle free in the forest.					
3	Sangiah a leading raiyat of Nagenahalli, on behalf of the raiyats.	Do ...	Requests that the villagers may be allowed to graze their cattle free in the reserve.					
4	Do ...	Do ...	Each family should be permitted to remove fuel, split bamboos, materials for agricultural implements as much as it requires If the above concessions are granted, there is no objection to the formation of a State Forest					
5	Sangiah, patel of Mundanahalli, on behalf of villagers.	Do ...	Represents that if the raiyats are allowed to graze their cattle free in the tract and to remove fuel, the proposed reserve may be constituted into a State Forest.					
6	Ajjaga, a raiyat of Oblapur, on behalf of raiyats.	Do ...	Represents that as it will be very difficult for the raiyats if a State Forest is formed near their village, no lands should be reserved.					
7	Mallikarjuniah, a raiyat of Illapura, on behalf of Kodihalli villagers.	Do ...	States that the formation of a State Forest near their village will be very prejudicial to the raiyats' interest and that nothing should be included in the forest from his village(Kodihalli).

Proceedings of the Government of His Highness the Maharaja of Mysore,

No. R. 3214-18—Ft. 80-08-13, dated Bangalore, 14th November 1911.

Order thereon.—The concessions that have been allowed in the Forest by the Forest Settlement Officer, Mr. C. Venkata Rao, as a result of his further investigations into the privileges and needs of the raiyats of the locality, appear to Government to be equitable. They are therefore pleased to approve of the settlement as thus effected by him. The draft Notification submitted by him will be published in the Gazette as hereunder, the date from which the block will be declared a State Forest being the 1st of December 1911.

2. The Deputy Commissioner, Kadur District, is requested to duly promulgate the boundaries of the block in the localities in which it is situated.

C. S. BALASUNDARAM IYER,
Offg. Secy. to Govt., Gen. & Rev. Depts.

To—The Revenue Commissioner in Mysore.
The Conservator of Forests in Mysore.
The Deputy Commissioner, Kadur District, with statements and map.
The Forest Settlement Officer in Mysore.
The Superintendent, Revenue Survey and Settlement in Mysore.

NOTIFICATION.

No. R. 3219—Ft. 80-08-14, dated 14th November 1911.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 17 of the Mysore Forest Regulation (XI of 1900), that from the 1st of December 1911, the area, the boundaries of which are set forth in the schedule annexed to this notification, shall be deemed to be a "State Forest," subject to the exercise of rights specified at foot thereof:—

READ—

The following papers relating to the settlement of the Devadan Forest Block in the Chikmagalur Taluk and the Yedahalli Sub-Taluk :—

(1) Letter No 127, *dated the 15th October 1910, from the Forest Settlement Officer in* Mysore, received with Revenue Commissioner's letter No. 5296, dated 14th November 1910 :—

"I I have the honor to report on the conclusion of the settlement of the Devadan Block in the Chikmagalur Taluk and Yedahalli Sub-Taluk of the Kadur District.

2. The initial notification under Section 4 of the Forest Regulation proposing to constitute the area into a State Forest was published on page 501 of the English copy of the *Mysore Gazette*, Part I, dated the 8th August 1907, and the proclamation under Section 5 of the said Regulation was issued by my predecessor, Mr. M Shama Rao, and the same appeared on pages 297-298 of the Kannrese Gazette, Part II, dated the 5th September 1907. The proclamatory notices were got served on the villagers concerned through the Amildar of Chikmagalur Taluk and Deputy Amildar of Yedahalli Sub-Taluk.

3. The tract was inspected and perambulated by me in company with the Sub-Assistant Conservator, Mr. A. V. Varadachar, and Mr. Bhima Rao, Acting Amildar of the Chikmagalur Taluk, on the 3rd May 1910. It is well studded with matti, honne, tadasal, tare, etc., trees. It looked as if it had been reserved several years ago.

4. The villagers have no objection to the proposal of the Forest Department being confirmed. Two claims relating to right of way were advanced by them and the same were admitted and recorded in the B Register

5. The Deputy Commissioner has intimated in his docket No. 346, dated the 19th—21st September 1910, that no appeals have been preferred to him against my settlement decision.

6. The following records are herewith submitted :—

(*i*) B Register of claims,
(*ii*) C Register of lands,
(*iii*) Sketch map,
(*iv*) Boundary notification, and
(*v*) Topo tracing.

7. The date from which the reservation is to take effect has to be inserted in the draft boundary notification."

(2) Letter No 5621, dated the 22nd December 1910, from the Conservator of Forests in Mysore expressing his opinion on the settlement and noticing certain discrepancies in the figures.

(3) Letter No. 3332, dated the 28th September 1911, from the Revenue Commissioner in Mysore, explaining the discrepancies.

(4) Statements B *and* C.

NOTIFICATION.

No. R. 3373—Ft. 75-10-7, dated 22nd November 1911.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 17 of the Mysore Forest Regulation (XI of 1900), that, from the 1st December 1911, the area, the boundaries of which are set forth in the schedule annexed to this Notification, shall be deemed to be a "State Forest," subject to the exercise of rights specified at foot thereof:—

Schedule.

District	Taluk, hobli and village	Approximate area	Name of block	Boundaries
Kadur	Chikmagalur Taluk and Yedahalli Sub-Taluk	2·12 square miles	Devadan	*North.*—Starting from a point on the right bank of the river Bhadra about 5 chains from the south-west corner of Survey No. 21 of Mudaguni village, on the left bank of the river, the line runs north and east along the right bank of the said river up to a point about 25 chains from the north-west corner of Survey No. 48 of Devadan village *East.*—Then turns south and goes through Survey No. 49 of the Devadan village for a distance of about 120 chains to the south-west corner of Survey No. 31 of the same village, where it meets the Chikmagalur-Koppa high road. *South.*—Thence south and west along the abovenamed high road till it meets the north-east corner of Survey No. 11 of Karehadlu coffee estate, then west along the north side of the same survey number to the south-east corner of Survey No. 4 of the same village. *West.*—Thence north along the east side of Survey No. 4 of Karehadlu coffee estate to its north-east corner, then east along the south side of Survey No. 5 of the same village to its south-east corner, thence north-east along the east side of the same survey number to its north-east corner, then in the same direction along the east side of Survey No. 81 of Madaguni to its north-east corner, thence along the north sides of Survey Nos. 81, 85 and 80 of the same

village to the north-west corner of the last-named survey number, then north-west along the south side of Survey No. 2 of Karehadlu coffee estate and north-west along the north side of Survey No. 3 of the same village to the north-west corner of the latter survey number, thence north-east, north and north-east along the right bank of the Bhadra river to the starting point.

A. REMARKS.

The following rights of way are admitted within the block:—

1. Foot-path from Karehadlu coffee estate to Devadan, 6 feet wide and about 40 chains long, open for men and cattle only throughout the year. It enters the forest in the western boundary at a point about 15 chains from the north-east corner of Survey No. 5 of Karehadlu coffee estate, goes south-east through Survey No. 1 of the same village and quits the forest in the southern boundary in the Chikmagalur-Koppa high road at a point about 25 chains from the north-east corner of Survey No. 11 of Karehadlu coffee estate.

2. Foot-path from Devadan to Guddadevaragaddige in Survey No. 49 of the same village, 6 feet wide and about 20 chains long, is admitted for men and cattle only during the occasion of making offerings to the deity in the temple.

Letter No. S. 548, dated 26th June 1911, from the Deputy Commissioner, Bangalore District, soliciting instructions in the matter of levying additional duty and penalty on a document impounded in 1886 by the District Judge of Bangalore Division, and again in 1908 by the Additional Munsiff, Bangalore on the ground of the insufficiency of the duty and penalty levied on the former occasion.

NO. FL. 1937-45—S. R. 213-10-15, DATED BANGALORE, 7TH NOVEMBER 1911.

ORDER THEREON.—The document referred to, which is written on plain paper, was executed on the 1st May 1884, and produced on the 6th April 1886 as an exhibit in Original Suit No. 44 of 1885 on the file of the District Judge, who held it to be an agreement and admitted it in evidence under Section 34 of the Indian Stamp Act as then in force in Mysore, after levying a duty of annas eight and a penalty of Rs. 5. The same document having been again exhibited in Original Suit No. 143 of 1906-07 on the file of the Additional Munsiff, the latter officer impounded it again as, in his opinion, the document was a deed of partition and the duty levied thereon on the former occasion by the District Judge was deficient. The Deputy Commissioner to whom the document was forwarded by the Munsiff agrees with that officer in regard to the inadequacy of the duty and penalty first levied, but feels a doubt as to the legality of levying duty and penalty a second time, and solicits instructions in the matter.

Government consider that this is not a case in which the Deputy Commissioner should take action now on the reference made by the Munsiff. The document in question was executed in 1884, and duty and penalty were levied on it in 1886 under Section 34 of the Stamp Act as then in force. If the duty and penalty thus levied was less than the amount properly leviable, the Deputy Commissioner might, if he thought fit, have moved the proper Court under Section 50 of the Act for a revision of the proceedings of the District Judge. As no such action was taken at the time, the document should, under Section 39 of the Act, be regarded as duly stamped, and it cannot in any subsequent proceedings in any Court be challenged as inadmissible in evidence. In this view, the action of the Munsiff in impounding the document a second time was contrary to law, and Government consider that no action is therefore called for on the reference made by him to the Deputy Commissioner.

Letters Nos. 26—20, 32—25 and 75—48, dated 31st July 1911, 4th August 1911, and 12th September 1911, respectively, from the Deputy Commissioner, Shimoga District, soliciting renewal of sanction to refund the value of certain stamp papers (detailed as shown below), the refund having been sanctioned by him on the dates noted against each:—

(1)	A stamp paper of	Rs. 7,	refund of the value of which	was sanctioned on	30th September 1909.
(2)	do	Rs. 5	do	do	23-d August 1905.
(3)	do	Re. 1	do	do	7th June 1910.

No. FL. 2254-63—S. R. 21-11-4, DATED BANGALORE, 21ST NOVEMBER 1911.

ORDER THEREON.—The Deputy Commissioner has sought renewal of sanction in the cases referred to, under Article 293 of the Civil Account Code, on the ground that the sanction already given by him has not been acted on for over twelve months. Government observe that as the sanctions under advertence were all given by the Deputy Commissioner himself under the Stamp Regulation, they do not require renewal by sanction of Government, and can be given effect to, subject to the provision contained in Article 5 of the Code regarding the period, *viz.*, two years, within which payments can ordinarily be made.

2. For the foregoing reasons, Government sanction is necessary only in the case of two stamp papers mentioned above, *viz.*, of Rs. 7 and Rs. 5, as the refund of the value thereof was sanctioned by the Deputy Commissioner more than two years ago. The payment of these amounts is accordingly sanctioned, under Article 5 of the Civil Account Code, subject to the deduction of the usual discount of one anna in the rupee.

Letter No 113, dated the 13th September 1911, from the Deputy Commissioner, Chitaldrug District, stating that Varadaji Bhagavanji and Channagiri Sivarama Chetty, two merchants of Davangere, having smuggled cloths into the Davangere Town, the Sub-Divisional Assistant Commissioner of Davangere fined them Rs. 20 and Rs 3, respectively, and sanctioned rewards amounting to Rs 2 and Re. 1, respectively, in the above two cases to the mutsaddi of the Davangere Municipality for having detected them; and that looking to the wording of Section 77 of the Municipal Regulation, he is of opinion that the minimum penalty to be imposed thereunder is Rs. 50 and therefore the orders passed by the Sub-Division Officer are open to question, and also enquiring whether the Government Order No. 1110-17—L F 140-95, dated the 21st July 1897, under which the rewards in question were sanctioned, can be acted upon in the Municipalities constituted under the Mysore Municipal Regulation, VII of 1906.

No. 3161-8- ML. 127-11-2, DATED BANGALORE, 2ND NOVEMBER 1911.

ORDER THEREON.—Section 77 of the Mysore Municipal Regulation fixes the maximum amount of fine leviable and not the minimum. The fine under this section can only be imposed by a Magistrate, before whom the smuggler should be prosecuted by the Municipal Council under Section 161 of the above Regulation. The procedure adopted in the cases referred to above was not regular.

2. Neither the Government Order No. 1110-17—L. F. 140-95, dated the 21st July 1897, relating to the payment of rewards to informers of cases of smuggling, nor the Government Order No. 13468-75—L. F. 140-95, dated the 15th June 1896, laying down the action to be taken and the procedure to be followed in cases of smuggled goods and smugglers, is applicable to Municipalities constituted under the Mysore Municipal Regulation. The payment of rewards under the order of the 21st July 1897 in such Municipalities is, therefore, irregular.

4 Letter No 3659—B & R 650, dated the 14th December 1910, from the Comptroller, forwarding with his remarks the following letter No G 7, dated the 2nd July 1911, from the Senior Surgeon proposing the alteration of the designation of "Hospital Assistants" into "Sub-Assistant Surgeons" and the revision of the scale of their pay in conformity with certain changes recently introduced in the Madras Presidency —

'With reference to recent orders issued by the Government of Madras altering the designation of the Hospital Assistants and improving their pay, I have the honor to recommend that the Hospital Assistants in the Mysore Service be accorded similar privileges, and that with as little delay as may be convenient to His Highness Government The new designation adopted in Madras is Sub Assistant Surgeons, and as it is desirable that our nomenclature should conform to that of Madras, it seems necessary to adopt this as the new title for our Hospital Assistants also

2 This will, of course, necessitate some change in the designation of our Gazetted list, and I propose that the officers now designated Civil Surgeons be called simply "Surgeons" in future, the word "Civil" being merely a relic of the past, and graded first, second and third grade Surgeons, while the Sub Assistant Surgeons should be amalgamated with the Assistant Surgeons, the whole lot being divided into 7 grades of Assistant Surgeons

The Honorary list would consist of Honorary Assistant Surgeons of the 3rd, 4th, 5th and 6th grades

Senior Hospital Assistants would be called Senior Sub Assistant Surgeons

The rest of the Hospital Assistants would be called Sub Assistant Surgeons Passed Medical Pupils would be called Passed Sub-Assistant Surgeons

3 Herewith is a proposition statement showing what the change of pay will cost the Province

The pay of our Senior Hospital Assistants is allowed to stand as at present as I am not in favor of reducing their scale considering the small number of appointments in that grade.

When one considers the amount of sanitary work our Hospital Assistants perform over and above purely Medical work, work which is not, I believe, required of similar officials in Madras, I don't think there should be any hesitation in placing them on pay corresponding to that given in Madras Our Hospital Assistants also have serious disabilities from which their brethren in Madras do not suffer, in that they draw no house rent nor obtain free quarters as is the rule in Madras

4 I beg therefore that very early orders be passed on my propositions, so that our Hospital Assistants may not long suffer under treatment inferior to that accorded to their brethren in Madras I further recommend that the rules be issued with retrospective effect so as to date from 1st April 1910 the day on which the rules came into force in Madras

No 3181-2—Med 128-10-5, Dated Bangalore 3rd November 1911.

Order thereon —Government are pleased to sanction the following changes in the Medical Department —

(1) Hospital Assistants will hereafter be styled "Sub Assistant Surgeons" and their pay will be fixed as shown below —

					Pay Rs
4th class	Sub-Assistant	Surgeons	1 to 5 years'	service	30
3rd	do	do	6 to 10	do	40
2nd	do	do	11 to 15	do	50
1st	do	do	over 15	do	60

Local Fund and Sanitary (Medical), dated 3rd November 1911.

(2) The Senior Hospital Assistants will be styled Senior Sub-Assistant Surgeons and their number will be fixed at 6, 3 on Rs. 80 and 3 on Rs. 70 per mensem.

(3) The present Sub-Assistant Surgeons of the 1st, 2nd and 3rd classes will be styled Assistant Surgeons and graded as the 5th, 6th and 7th classes of Assistant Surgeons respectively. The existing rules laid down in para 4 of the Government Order dated the 23rd September 1897 about promotion from class to class among Assistant Surgeons will apply to the first four classes and those laid down in para 5 of the said order about promotion of Sub-Assistant Surgeons to the other three classes of Assistant Surgeons in the revised classification. The promotion of an Assistant Surgeon from the 5th to the 4th class will, as heretofore, be regulated by vacancies and merit and not according to a time scale.

(4) The Honorary Grade of Medical officers will consist of Honorary Assistant Surgeons of the 3rd, 4th, 5th and 6th grades.

(5) Civil Surgeons will be styled Surgeons.

(6) The Hospital Assistants who, at present, have been drawing Rs. 40 per mensem shall be given the option of receiving the promotion due to them under the rules laid down in the late Chief Commissioner's Notification dated the 7th June 1871 read above (that is, to a pay of Rs. 60 after seven years' service in the Rs. 40 class) or of being graded according to the revised classification under this order.

2. The present Senior Hospital Assistants will continue to draw their present salary as against the places in the revised scale till they are otherwise provided for or till their places become vacant.

3. In the case of Sub-Assistant Surgeons under this order, the scale of pay as fixed in para 1 (1) *supra* shall be given effect to from the 1st October 1911, the extra charge involved being met during the current year as far as possible by a reappropriation of the sanctioned budget grants.

4. The rules contained in Government Order dated 23rd September 1897 in regard to the promotions of Medical officers and subordinates and the number of appointments in each grade, shall continue to be in force in so far as they are not modified by this or any other order of Government.

No. 3447-57—SANY. 150-10-2, DATED BANGALORE, 8TH NOVEMBER 1911.

ORDER THEREON.—The rules proposed by the Sanitary Commissioner are approved with certain modifications. A copy of the rules as revised is appended to this Order.

C. S. BALASUNDARAM IYER,

To—The Sanitary Commissioner in Mysore.
The Deputy Commissioners of Districts and Presidents of the City Municipal Councils of Bangalore and Mysore.

Rules regarding the status of the Public Health Department in the districts.

1. The District Sanitary Officer is the Deputy Commissioner's Assistant in sanitary and health matters, and is directly subordinate to him. In technical and scientific matters, however, he will be subject to the orders of the Sanitary Commissioner.

2. He shall submit his tour programme for each month to the Deputy Commissioner a week before its commencement and shall adopt such modifications as may be directed.

3. The diaries and special reports of the District Sanitary Officer shall, in the first place, always be forwarded to the Deputy Commissioner for remarks and orders; the latter shall return them to the District Sanitary Officer for action and for transmission to the Sanitary Commissioner.

4. The District Sanitary Officer is the immediate superior of the District Vaccination officials, and of the Sanitary Inspectors, except that Sanitary Inspectors paid from Municipal Funds shall be under the orders of the Municipal Board in all save technical and scientific matters. The District Sanitary Officer may transfer vaccinators in the district from one place to another, notifying such changes of station to the Sanitary Commissioner.

Local Fund and Sanitary (Sanitary), dated 8th November 1911.

5. The Sanitary Inspectors will submit their diaries to the Amildar of the taluk or Vice-President of the Municipality in which they are employed, and that officer will pass them on to the District Sanitary Officer with his remarks. The District Sanitary Officer shall report such matters as he deems necessary to the Deputy Commissioner with a view to obtaining his orders for the Amildars to carry out the sanitary measures advised.

6. This will not interfere with the Amildar or Chairman of the Municipality or taluk giving orders to the Sanitary Inspectors in matters pertaining to his duties.

7. If there is a difference in opinion between the District Sanitary Officer and the Amildar or the Chairman, the matter should be reported to the Deputy Commissioner, whose order will be final.

8. When the Sanitary Commissioner, his Deputy or the District Sanitary Officer visits a place and finds conditions that require immediate attention, the sanitary staff should invariably be at the disposal of such visiting officer to have things put right without delay and thus demonstrate practically what is required to be done.

9. Procedure of this sort should not involve any extra outlay. When outlay is necessary, the Chairman must be consulted, or if necessary, the Deputy Commissioner.

10. When the interests of the service require it, the Inspector of Vaccination may shift vaccinators from any one district to any other.

11. Two reserve vaccinators should be attached to each District Sanitary Officer to fill vacancies due to illness or to relieve vaccinators granted leave.

The Report on Sanitation in Mysore for the calendar year 1910, received with letter No. 1260, dated the 15th September 1911, from the Sanitary Commissioner in Mysore.

No. 3146—SAN. 64-11-4, DATED BANGALORE, 8TH NOVEMBER 1911.

ORDER THEREON.—The registered birth rate per thousand of the population of the State calculated on the Census figures of 1901 was 17·22 as against 18·36 in 1909 and 19·24 in 1908. These figures indicate a gradual decrease in the registered birth rate. The Sanitary Commissioner adduces reasons to believe that the system of registration of births carried out at present is very defective and that the figures recorded cannot be relied upon. It behoves the Sanitary Commissioner and the Deputy Commissioners to take steps to secure greater accuracy in the figures returned, by systematic supervision and frequent verification by officers of the Public Health and Revenue Departments.

2. The death rate, *viz.*, 20·19 per thousand of population was in excess of that of 1909 by 2·67 and of the mean of the previous five years by 2·41. The largest proportion of deaths was, as usual, among infants under one year of age and old people of sixty years and upwards. The infant mortality, calculated on the infant population according to the Census of 1901, rose from 73·04 for males and 60·32 for females for every one thousand infants living of the male and female sex, respectively, during 1909 to 89·95 for males and 67·50 for females during 1910. The causes of the high mortality under this head should be investigated.

3. There was a slight increase in the number of deaths from cholera as compared with that in the previous year. The highest mortality was in the month of June. It is noted that prompt measures were adopted for suppressing the epidemic.

4. The number of deaths from small-pox was 5,706 or 483 less than in the year 1909. The disease was prevalent in all the districts, the outbreak being most severe in the Mysore District, which accounted for 2,505 deaths.

5. The mortality from fever was higher than in the previous year by 8,391. The highest death rate recorded was in the Kadur District, *viz.*, 13·30, and the lowest 6·09 in the Kolar District. It is observed that the death rate from fever was high in almost all the towns in the Chitaldrug District and that malaria was at its worst in the towns of Hiriyur, Chitaldrug, Hosdurga and Davangere. The Senior Surgeon and Sanitary Commissioner is requested to adopt suitable measures for the prevention of the disease in the above places, one of which may be a more abundant supply of quinine and its free distribution.

6. There was a considerable increase in the mortality from plague as compared with the year 1909, the number of deaths being 6,338 against 4,048. The district which suffered most was Mysore, in which there were 1,139 deaths excluding the deaths in the Mysore City.

7. The aggregate cost of sanitary works executed by the Public Works Department and the several Municipalities during the year was Rs. 1,67,053 against Rs. 5,64,608 in 1909.

8. The Central Sanitary Board examined four schemes during the year estimated to cost Rs. 68,090.

9. During the year a District Health Officer was posted to the Mysore District and two District Sanitary Officers were appointed in the districts of Kolar and Kadur.

10. A fair amount of inspection work was done by the Inspecting Officers. The great delay in the receipt of the report will, it is hoped, be avoided in future.

The Reports on the working of the Vaccination Department in the State for the calendar year 1910, and of the Vaccine Institute, Bangalore, received with letter No. 850, dated the 17th August 1911, from the Officiating Sanitary Commissioner in Mysore.

No. 3595-604—SAN. 42-11-3, DATED 11TH NOVEMBER 1911.

ORDER THEREON.—During the year under review, three whole-time District Sanitary Officers were appointed for the Districts of Mysore, Kolar and Kadur. With a view to efficient administration, these officers were placed in subordination to the Deputy Commissioners in all but strictly technical matters.

2. The *number of vaccination operations performed during the year, by* vaccinators (Taluk and Municipal) and Medical subordinates was 99,211 against 117,831 in the previous year. The decrease is mainly under primary and secondary vaccinations. Out of the total number of operations, 9,260 were performed by Medical subordinates, 3,524 by Municipal vaccinators and 86,427 by Taluk vaccinators and the Vaccine Institute, as against 13,907, 5,453, and 98,471, respectively, during the year 1909. The largest number of vaccinations (29,483) was in the Kolar District and the smallest number (4,687)in the Shimoga District. Compared with the number of vaccinations in the previous year, there was a general decrease in all the districts except Kadur, and the decrease is most notable in the Bangalore and Mysore Districts. The decrease is reported to be attributed variously to (1) prevallnce of plague, (2) incompleteness of staff owing to the want of qualified hands to take the place of vaccinators who were granted leave and (3) lack of whole-hearted co-operation on the part of patels in the matter of working the Kurnool system of vaccination. The success of the measures relating to vaccination depends not a little on the co-operation of the village authorities with the vaccinators, and it is hoped that the action which is reported to be taken to secure this co-operation will produce more satisfactory results. The number of children under one year successfully vaccinated during the year was 18,603 against 22,790, in the previous year; the percentage to the total number of births being 19·82 in the year under review against 22·77 in the previous year. The number of successful cases under primary and secondary vaccinations was 82,745 or 96·20 per cent against 99,380 or 95·69 per cent in 1909 and the number successful under re-vaccination was 4,587 or 56·28 per cent against 5,435 or 60·48 per cent during 1909.

3. The total number of deaths from small-pox during the year was 5,706 against 6,189 in the previous year. The ratio per thousand of population is 1·05 against 1·14 in the year 1909 and corresponds to the mean ratio of the previous five years.

4. The cost of the Department, excluding the Vaccine Institute, was Rs. 21,684 as against 19,712 in the previous year. The average cost of each successful vaccination performed by the Taluk vaccinators was Re. 0-4-3·85, against Re. 0-3-4-39 in the year 1909. The average cost of each successful case performed by the Municipal vaccinators was Re. 0-6-8·31 against Re. 0-4-6·64 in the previous year.

5. The District Sanitary Assistants and Deputy Inspectors of Vaccination inspected 86,669 persons during the year against 60,705 in the year previous, and the Medical subordinates 55,646 against 68,005.

6. Vaccination continued to be compulsory in the Bangalore and Mysore Cities and on the Kolar Gold Fields and also in the several Municipalities into which the system of compulsory vaccination was tentatively introduced in the year 1909.

Local Fund and Sanitary (Sanitary), dated 11th November 1911.

7. The total number of calves purchased by the Vaccine Institute during the year was 395 at a cost of Rs. 2,560 as against 253 at a cost of Rs. 1,616 in the year 1909. The net cost of the working of the Institute was as follows:—

	1909			1910			Difference		
	Rs.	a.	p.	Rs.	a.	p.	Rs.	a.	p.
Expenditure	7,209	9	7	8,401	4	8	1,191	11	1
Income	2,808	8	3	3,944	9	4	1,136	1	1
Net cost	4,401	1	4	4,456	11	4	55	10	0

The total quantity of vaccine manufactured during the year was enough for 203,569 cases against 209,359 cases in the year 1909. Of this, a quantity enough for 122,363 cases was supplied to the Medical officers and subordinates and vaccinators within the State and a quantity enough for 59,486 cases to stations outside the State. The supply within the State was 21,444 cases less and to stations outside 18,319 cases more than in the previous year. The average cost for 100 units of vaccine was Rs. 2-3-0·34 against Rs. 2-1-7·5 during 1909.

8. Government note that the vaccine manufactured in the Institute was of good potency.

Proceedings of the Government of His Highness the Maharaja of Mysore,

READ—

Letter No. 90, dated the 13th February 1909, from the President, Mysore City Municipal Council, submitting a copy of a Resolution of the Municipal Council about relieving the Municipality of the cost of Secondary Education in Mysore.

2. Correspondence ending with letter No. 8240—654, dated the 25th March 1911, from the Inspector-General of Education in Mysore, on the subject.

No. 3891-3—EDN. 278-08-11, DATED BANGALORE, 21ST NOVEMBER 1911.

ORDER THEREON.—At present the Mysore City Municipal Council pays grants-in-aid to Secondary Schools and Primary Schools amounting to Rs. 465 and Rs. 97, respectively, per mensem as per details given in lists A and B. Government also pay grants to such schools in the Mysore City, besides maintaining certain Primary Schools under the management of the State Education Department. The cost to Government on these accounts is Rs. 1,308-8-0 for Secondary Schools and Rs. 320-8-0 for Primary Schools according to the details given in the same two lists.

2. Under Section 54 of the Municipal Regulation, VII of 1906, it is obligatory on the Municipalities to establish and maintain Primary Schools within Municipal limits, and under Section 55 of the same Regulation, the Municipalities may at their discretion make reasonable provision for furthering Educational objects other than those of establishing and maintaining Primary Schools. The Mysore City Municipal Council requests that the Municipality may be relieved of the cost on account of the grants paid by it for Secondary Schools, with a view to enable the Municipality to open more Primary Schools. The Inspector-General of Education recommends that the cost to the Municipality on account of grants to Secondary Schools *viz*, Rs. 465 per mensem may be transferred to the State Funds and that the expenditure now incurred by Government on account of Primary Schools in the City *viz.*, Rs. 320-8-0 per mensem, be transferred to the Municipality. This arrangement is sanctioned with effect from the 1st July 1912.

3. The result of the above arrangement will be an additional cost of Rs. 144-8-0 per mensem to the State Funds and a saving of Rs. 144-8-0 per mensem to the Municipality. The additional cost to the State will be included in the Education State Fund Budget for 1912-13 and subsequent years. The savings of Rs. 144-8-0 per mensem which will accrue to the Municipality should be utilized for opening more Primary Schools in the City or improving and extending existing schools.

4. Under the above arrangement the grants to all the aided Secondary Schools mentioned in list A, amounting to Rs. 1,773-8-0 per mensem, will be paid from the State Funds and the cost on account of the Government and aided Primary Schools in list B, *viz.*, Rs. 417-8-0 per mensem, will be borne by the Municipality.

5. The management of the four Government Primary Schools in statement B will also be transferred to the Municipality. The President of the Mysore City Municipal Council is requested to state whether the Municipal Council agrees to the transfer to the Municipality of the services of the teachers and menials employed in these four schools under Article 251, Appendix B, sub-head 2, of the Mysore Service Regulations, to enable Government to pass formal orders in the matter.

NOTIFICATION.

No. *G. 2852—G. M. 53-10-23, dated 15th November 1911.*

It has come to the knowledge of the Government of His Highness the Maharaja that an organised system of recruitment of coolies in Mysore for labour in foreign countries is prevailing in some parts of the State, and they have reason to believe that several persons, including young and inexperienced persons, are being induced to emigrate by the recruiters under various pretences and false representations as regards the condition of life, labour and wages in such foreign places. The Government consider that these facts should be generally known throughout the State, and the public are hereby warned of the risks they run in acting on the inducements offered by the recruiters in question, without making careful inquiries for themselves.

"Memorandum on Railways in Mysore" by the Secretary to Government for Railways, dated the 17th September 1911

2. Resolution No. 12 of the Mysore Economic Conference, approving of the recommendations made in paragraph 37 of the memorandum, as under —

"That this Conference do submit to Government, a resolution approving of the recommendations made by the Secretary to Government for Railways in para 37 of his memorandum, dated 17th September 1911, with slight verbal alterations, as indicated below. (Proposed by Rajamantrapravina Mr. C. Srinivasiengar, seconded by Mr. M. C. Rangiengar and supported by Mr. K. P. Puttanna Chetty and carried by a majority, only one being against)

(1) Further Railway extension should, as far as possible, be under direct State control or in the hands of local bodies, and private effort should be encouraged

(2) The construction of the Nanjangud-Erode line up to the Mysore frontier should be taken up as soon as possible.

(3) Agrangements should be made at once for the re-survey and preparation of a revised project and for the construction of a chord line from Arsikere to Mysore *via* Hassan.

(4) The construction of the Hosur-Bangalore line should also be undertaken by Government unless the District Board or a private company comes forward to do so

(5) The following feeder Railways should be constructed as soon as possible, Government giving all reasonable help to the local bodies or companies concerned —

(i) Bangalore-Chickballapur
(ii) Kolar-Bowringpet.
(iii) Chickjajur-Chitaldrug.
(iv) Chickmagalur-Hassan.

The question of connecting Hassan with Chickmagalur and Kadur on the main line in preference to Arsikere should be decided after further discussion

(6) A construction programme as indicated in Appendix III of the memorandum may be sanctioned for the next five years according to the funds which Government may decide to set apart during the period

(7) A proper State Railway Department should be started as it existed previous to 1895, the strength of the staff depending on the number of works to be undertaken and the available grants, or, in other words, on the magnitude of the operations contemplated."

No. 224-30—Ry. F. 124-11-12, DATED BANGALORE, 13TH NOVEMBER 1911.

ORDER THEREON.—The memorandum submitted embodies a programme for the construction of 252 miles of railway within the State. The lines selected have for their object the opening up of the interior of Hassan, Kadur, Mysore and Chitaldrug Districts, and the linking up of all the District headquarters with the railway and with the capital cities of Bangalore and Mysore.

2. The subject was referred by Government to the Economic Conference which met during the Dasara Session (30th September to 3rd October 1911) and the resolution passed by that body is quoted in the preamble. The subject was also discussed at the Dasara Representative Assembly and the general opinion of that Assembly elicited.

3. The Government of His Highness the Maharaja are in general accord with the programme of construction indicated in Appendix III, and with the proposals made in paragraph 37 of the memorandum. They are accordingly pleased to direct:—

(1) That the construction of Arsikere-Hassan-Mysore and Nanjangud-Chamrajnagar lines be undertaken by State agency;

Railways, dated 13th November 1911.

(2) That the undermentioned lines be constructed by District Boards:—

(i) Bowringpet-Kolar.
(ii) Chitaldrug-Chikjajur.
(iii) Kadur-Chikmagalur-Hassan.
(iv) Bangalore-Hosur.

(3) That, in case the District Board of Bangalore is unable to finance the last named scheme and no other private agency comes forward to do so, Government construct it as a State line.

4. The Comptroller is requested to suggest ways and means for an expenditure of about 108 lakhs on railway construction within the next 5 to 7 years including a sum of Rs. 15 lakhs for subsidies to private and District Board lines.

5. As regards establishment, Government sanction the formation of a State Railway Department somewhat on the lines of that which existed prior to 1895 with an officer of the rank of a Superintending Engineer as its head. This Department will, for the present, stand in the same relation to Government as the State Electrical Department. The details of the establishment required should be reported early.

6. Arrangements should at once be made for the survey of the Nanjangud-Erode line up to Chamrajnagar *via* Tagadur and Santemarahalli and also for the following District Board lines:—

(i) Bowringpet-Kolar.

(ii) Chitaldrug-Chickjajur.

(iii) Kadur-Chickmagalur-Hassan.

Detailed proposals for the office and other executive establishment necessary should be submitted separately for orders.

7. The Presidents of District Boards of Kolar and Chitaldrug have already taken steps for providing funds for the feeder railways concerned. The Presidents of Bangalore and Kadur District Boards should be requested to submit proposals at an early date in the matter of financing the feeder lines in their respective districts.

Proceedings of the Government of His Highness the Maharaja of Mysore, Geological, dated 9—11th November 1911.

READ—

Memo No. 78, dated 8th September 1910, from the State Geologist and Secretary to Government, Geological Department, stating that certain items of expenditure out of the contingent grant which are being incurred in the Geological Department as necessity arises and which have been admitted by the Comptroller until recently are now objected to by him on the ground that formal sanction of Government should be obtained to them and soliciting therefore the sanction of Government to the said items of expenditure.

No. C. 2—888, DATED CAMP SAGLANGA, 9—11TH NOVEMBER 1911.

ORDER THEREON.—Government are pleased to sanction the undermentioned items of expenditure hitherto paid for out of the contingent grant of the Geological Department and to direct that they be dealt with in future as follows :—

(1) *Wages paid monthly to the office gardeners at Bangalore and at the Office of the Inspector of Mines at Ooregum.*—This cannot be considered as a contingent charge, but is a charge recurring throughout the year. Government direct, therefore, that the cost under this head be shown in future under temporary establishment and the pay of the gardeners drawn on temporary establishment bills, and are accordingly pleased to sanction the continuance of the entertainment for a period of five years from the 1st September 1911 of the services of the gardeners on the scale noted in the margin at the State Geologist's Office, Bangalore, and at the Office of the Inspector of Mines, Ooregum.

1 *State Geologist's Office, Bangalore.*
(i) One head gardener on Rs. 7.
(ii) One assistant do on Rs. 5.

(2) Wages paid to a *Brahmin waterman* for supplying drinking water to the office at Bangalore.

2 *Office of the Inspector of Mines, Ooregum*
(i) One head gardener on Rs. 10.
(ii) One assistant do on Rs. 7.

This is more of the nature of a cooly and not a regular servant, and this item may therefore continue to be charged to contingencies.

(3) Wages paid to *temporary section cutters* for cutting sections of rocks for examination under the microscope and other work connected therewith.

When the appointment of these section cutters is intermittent and not all the year round, the charges on this account may be debited to contingencies. But when the men are to be kept on all the year round, they should be brought on to the temporary establishment. Accordingly two extra section cutters who are now being paid for out of contingencies, but whose services are required throughout the year, shall henceforth be brought on the temporary establishment for a period of five years from 1st September 1911 on the pay hitherto allowed to them, *viz.*, Rs. 7 per mensem.

(4) Wages paid during six months of the year to a *sweeper* of the office of No. 5 St. Mark's Road, rented by the Geological Department. This item may continue to be charged to contingencies and shown under cleaning charges, as the man is only a cooly.

(5) *Charges for repairs of tents.*—It is reported that every year when the tents are returned to the State Geologist's Office at Bangalore by the officers after the field season, extending over six months or more at a stretch, it is found that the tents are much the worse for use and that unless they are completely overhauled in time they become unfit for use during the next field season. A general sanction to incur such expenditure within the sanctioned amount was given to the State Geologist and Secretary to Government, Geological Department, and he is therefore at liberty to have the repairs of tents carried out annually without submitting for the previous sanction of Government estimates of the cost of such repairs, provided that the expenditure incurred is within the amount sanctioned in the annual budget estimates of the Geological Department.

Proceedings of the Government of His Highness the Maharaja of Mysore, Geological, dated 18—20th November 1911.

READ—

Report, dated 21st September 1911, from the Officiating Chief Inspector of Mines in Mysore on a fatal accident due to an air-blast which occurred in the Champion Reef Mine on the 18th July 1911.

No. 923-25, DATED CAMP HOLALUR, 18—20TH NOVEMBER 1911.

ORDER THEREON.—It is observed from the above report that the accident was caused by a quake of a very violent nature, which was felt from end to end of the Kolar Gold Field and also in the villages, cooly colonies, etc., surrounding it, the area of ground affected thereby being that lying between the Carmichael's and Rowe's Shafts and extending from above the 22nd to the back of the 25th levels.

2. The accident is the most disastrous of its kind known on the Kolar Gold Field, considering the number of persons killed and injured thereby. Fifteen persons were killed underground, six died in hospital from shock and injuries received, there are still three serious cases now being attended to, all of which are likely to recover, while seven were originally detained and kept under observation, but have since been discharged. Twenty-five persons received superficial injuries, all of whom were, after treatment, discharged, their injuries being of a trivial nature. The total number of casualties from the accident thus amounts to fifty-six.

3. Touching on the question of the relation of earthquakes to mining, the Officiating Chief Inspector of Mines quotes in the above report that Professor J. W. Gregory holds that "Earthquakes are due mostly to movements along deep faults" and that "they are necessarily of consequence to the metal miner, whose lodes are so often formed along fault-planes" and stated that there appears to be a distinct heave from East to West in the lode, going North, starting close to Carmichael's Shaft at the 35th level. The regularity with which this heave can be traced from level to level leads to the supposition that it may be one of the fault-planes of the kind referred to by Professor Gregory and it therefore appears more than probable that, if by any chance an earth movement, however slight, occurred on the date of the accident, it precipitated the quake which caused the accident.

4. It is also reported by the Officiating Chief Inspector of Mines in Mysore that the Mining Companies on the Kolar Gold Field have recognised the necessity of taking seismometric observations in the neighbourhood of the Mines and that they have accordingly erected a house and supplied it with necessary instruments of great delicacy and precision at a considerable cost. These observations will, it is hoped, show or at least help to show whether earthquakes have any bearing on quakes and air-blasts.

5. One other point to be noticed in the Officiating Chief Inspector of Mines' report is that, in view of the occurrence of the worst air-blasts and quakes during recent years in the zone of ground between the seventeenth and the twenty-fifth levels, the Superintendent of the Champion Reef Mine has decided to stop all the stopes working between these levels for some time, and it is hoped that this will be a measure which will minimize to a large extent the recurrence of casualties from air-blasts and quakes.

6. The report is recorded.

Proceedings of the Government of His Highness the Maharaja of Mysore,

Correspondence ending with letter No. 160, dated 21st September 1911, from the Deputy Commissioner, Chitaldrug District, on the subject of the arrears of minimum royalty guaranteed by Kalayagar Budan Sabi under a license granted to him in May 1906 for collecting corundum for a period of five years in the taluk of Challakere.

No. 927-8, DATED CAMP HOLALUR, 18—20TH NOVEMBER 1911.

ORDER THEREON.—The facts of the case are as follow :—

1. (*a*) A license was granted by Government on the 10th of May 1906 to Kalayagar Budan Sabi to collect corundum in the Taluk of Challakere for a period of five years. Under the terms of this license the licensee guaranteed to the Government a minimum royalty of Rs. 300 per annum at Rs. 4 per candy of corundum removed from the taluk, and the minimum royalty payable for the first year was received in advance from the licensee and has been held in deposit as security for the due fulfilment of the terms of the license.

(*b*) Before the expiry of even the first year of the license, the licensee complained, in his petition of 18th April 1907, of the absence of good deposits of corundum in the taluk and of the loss of Rs. 800 suffered by him in the business, and requested that the terms of the license regarding the guaranteed minimum royalty might not be insisted upon, but that he might be allowed to pay royalty on the corundum actually removed by him at Rs. 4 per candy during the entire term of the license and that if these concessions could not be granted by Government the license might be cancelled and the balance of the minimum guaranteed royalty due by him for the first year of the license remitted. Thereupon a report was called for from the Deputy Commissioner as to the actual work done by the licensee, the quantity of corundum collected by him and the royalty actually paid by him. The licensee was also informed at the same time that, if he wished it, the license would be cancelled, but that the balance of the guaranteed minimum royalty would have to be paid in any case. The licensee then requested that the balance of the guaranteed minimum royalty due for the first year might be adjusted out of the deposit of Rs. 300 held by Government and that the remainder of the deposit might be returned to him. He also prayed that, in view of the loss sustained by him, he might be allowed to collect corundum for a year and pay royalty on the quantity actually removed by him.

(*c*) The report received from the Deputy Commissioner in December 1907 showed that the licensee had not kept any regular accounts of the corundum collected by him, that it was however ascertained from the statements furnished by the licensee that during the period of one year and four months for which the license had till then been in force a quantity of twenty candies of corundum had been removed by him after payment of the royalty due thereon.

(*d*) In April 1908 a further report was received from the Deputy Commissioner that the licensee, in spite of his wish expressed in his petition of 18th April 1907 to surrender the license, had been still carrying on work in the taluk and that he had also underlet to another party a portion of the taluk for the remainder of the term of the license. The Deputy Commissioner was then requested in Government Order No. 177, dated 22nd July 1908, to inform the licensee that clause 17 of the license absolutely prohibits any alienation of his rights under the license and that the underlease could not therefore be recognized by Government, that he would be permitted to hold the license for the remainder of the term, if the terms of the license, including the payment of the minimum guaranteed royalty for each year, were duly fulfilled in all respects ; and that if he wished to surrender the license, he might do so at once after paying up the royalty due to Government up to date. A further report was also called for from the Deputy Commissioner as to whether the licensee had paid the royalties due for the years 1906, 1907 and 1908, and he was also asked to take steps for the recovery of any of the arrears that were still due.

Geological, dated 18—20th November 1911.

(*e*) The Deputy Commissioner thereupon reported in his No. 247, dated 4th Januray 1910, that in all a sum of Rs. 248 had been paid by the licensee into the Challakere Taluk Treasury, and that one Shroff Venkappa had stood surety for the licensee for a sum of Rs. 200 due by the licensee in respect of sixteen candies of corundum which had been stealthily removed from the taluk by one Venkatagiriappa and which had subsequently been handed over to the licensee and that it was not possible to recover anything more from the licensee towards his dues to Government, as he was not solvent, and recommended that the license might be cancelled as from the calendar year 1909.

(*f*) From the further report received from the Deputy Commissioner (*vide* letter No. 160, dated 21st September 1911), it is ascertained that the above-mentioned amount of Rs. 200 has since been recovered from the surety, Shroff Venkappa. Thus the total amount of royalty recovered from the licensee up to date is Rs. 448 against Rs. 900 due for the first three years of the license.

2. Though the licensee has not yet formally surrendered the license to Government and is therefore liable to pay to the Government the guaranteed annual minimum royalty for the full term of the five years for which the license was granted, the Government of His Highness the Maharaja of Mysore are pleased to direct that, in view of the fact that he has been repeatedly complaining of the loss suffered by him in the business and that he had more than once expressed a wish to surrender the license, and also in view of the report of the Deputy Commissioner that the licensee is not a solvent person, the license be terminated as from the end of the third year of its term, *i.e.*, on the 9th May 1909, and that the deposit of Rs. 300 held by Government be appropriated as a set-off against a portion of the arrears of the guaranteed minimum royalty of Rs. 452 due as noted below and the claim against the licensee for the balance of the arrears, *viz.*, Rs. 152, waived :—

	Rs.
Guaranteed minimum royalty due for three years at Rs. 300 per annum ...	900
Less—	
Actual amount of royalty paid by the licensee up to date	448

Correspondence ending with letter No. 3203—122, dated 25th October 1911, from the Deputy Commissioner, Kolar District, reporting that no royalty has been paid to Government under the license granted in May 1905 to Nabi Sahib of Hindupur for collecting corundum for a period of five years in the Bagepalli Taluk.

2. Subsequent correspondence ending with petition, dated 9th June 1911, from Nabi Sahib of Hindupur, praying for a remission of the arrears of the guaranteed minimum royalty, amounting to Rs. 250, due by him in respect of the Bagepalli Taluk under the abovementioned license

---

No. 951-3, DATED CAMP HOLALUR, 18—20TH NOVEMBER 1911.

ORDER THEREON.—The facts of the case are as follow:—

(*a*) On the 18th May 1905 Nabi Sahib of Hindupur was granted a license to collect corundum in the Taluks of (1) Bagepalli (including the Gudibanda Sub-Taluk) and (2) Pavagada, and under the terms of that license he was bound to pay to Government a royalty of Rs. 4 per candy of corundum removed from the said Taluks, subject to a guaranteed minimum royalty of Rs. 50 per annum for the Bagepalli Taluk and of Rs. 150 per annum for the Pavagada Taluk.

(*b*) The period of five years for which the license was granted expired on the 18th May 1910 and on the 19th idem the licensee submitted to this office a petition complaining of the scantiness of corundum in the above taluks, the dullness of the market for the mineral and the heavy loss he was put to in the business, and requested that he might be granted a fresh license over the Taluks of Goribidnur and Maddagiri.

(*c*) Thereupon reports were called for from the Deputy Commissioners of the Kolar and Tumkur Districts and also from the licensee as to the total quantity of corundum removed by the licensee from each of the Taluks of Bagepalli and Pavagada and the total amount of royalty paid by him during the currency of the license.

(*d*) The Deputy Commissioner of the Tumkur District has not yet sent in his reply, but the Deputy Commissioner, Kolar District, states in his letter No. 3203—122, dated 25th October 1910, "that it is reported by the Amildar, Bagepalli Taluk, that there is no corundum in that taluk, and that no royalty on the same has been collected."

(*e*) The report received from the licensee is in effect the same as that of the Deputy Commissioner, Kolar District, as far as the Bagepalli Taluk is concerned, but it also shows that he removed from the Pavagada Taluk a quantity of 89 candies of corundum and paid a royalty of Rs. 356.

2. Nabi Sahib's present prayer is that as, in spite of the several efforts made by him, he was not able to find corundum in the Bagepalli Taluk, he may be granted a remission of the whole or a portion of arrears of minimum royalty due by him, but he states that, if no remission can be sanctioned, he will pay the arrears in case he is granted a fresh license over the Taluk of Kadur. When the licensee found that there was no corundum in the Bagepalli Taluk, there was nothing to prevent him from surrendering the license to Government at once under the last proviso thereof, but as he has not done so and has kept on the license for its full term of five years precluding other likely applicants from taking up the taluk, there is no reason why any remission of the guaranteed minimum royalty should be sanctioned by Government.

3. The total amount of the guaranteed minimum royalty due by Nabi Sahib for the five years of the license is Rs. 250, against which the Government hold a deposit of Rs. 50 paid by him at the time of the issue of the license and this deposit shall be appropriated as a set off against a portion of the arrears of Rs. 250 and measures taken at a very early date by the Deputy Commissioner, Kolar District, for the recovery of the balance of Rs. 200.

4. As regards the arrears due by Nabi Sahib in respect of the Pavagada Taluk, the Deputy Commissioner, Tumkur District, is requested to expedite the submission of the report called for from him, and on its receipt, separate orders will be passed by Government in the matter.

Geological, dated 18--20th November 1911.

5. Nabi Sahib's request for a license over the Taluk of Kadur cannot be entertained and licenses should be declined to defaulters like this.
